ברוכים הבאים לסדנה שלנו

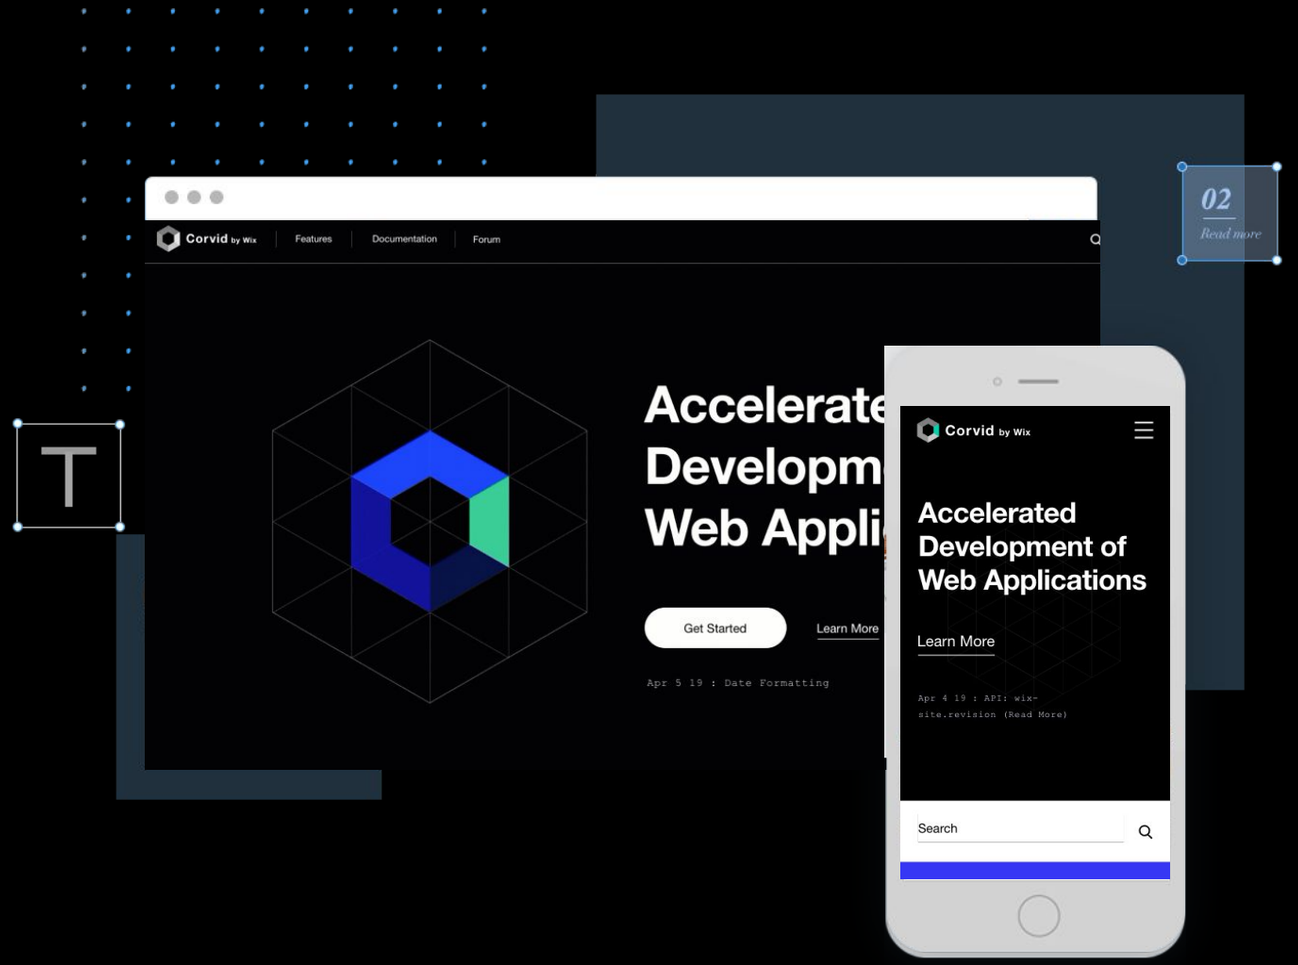
עד שנתחיל, הנה כמה נקודות חשובות:

- עם הצטרפותכם, המיקרופון שלכם יהיה מושתק והמצלמה לא פעילה. כדי להפעיל אותם יש לאפשר לדפדפן שלכם גישה, אם תתבקשו.
- הסדנה היום תוקלט.
- אנחנו ממליצים להוריד את המצגת של הסדנה. לינק מופיע בחלון הצ׳ט, בהודעה הראשונה.

Welcome to Wix Data

Yoav Cohen – Head of Training

Wix Hub



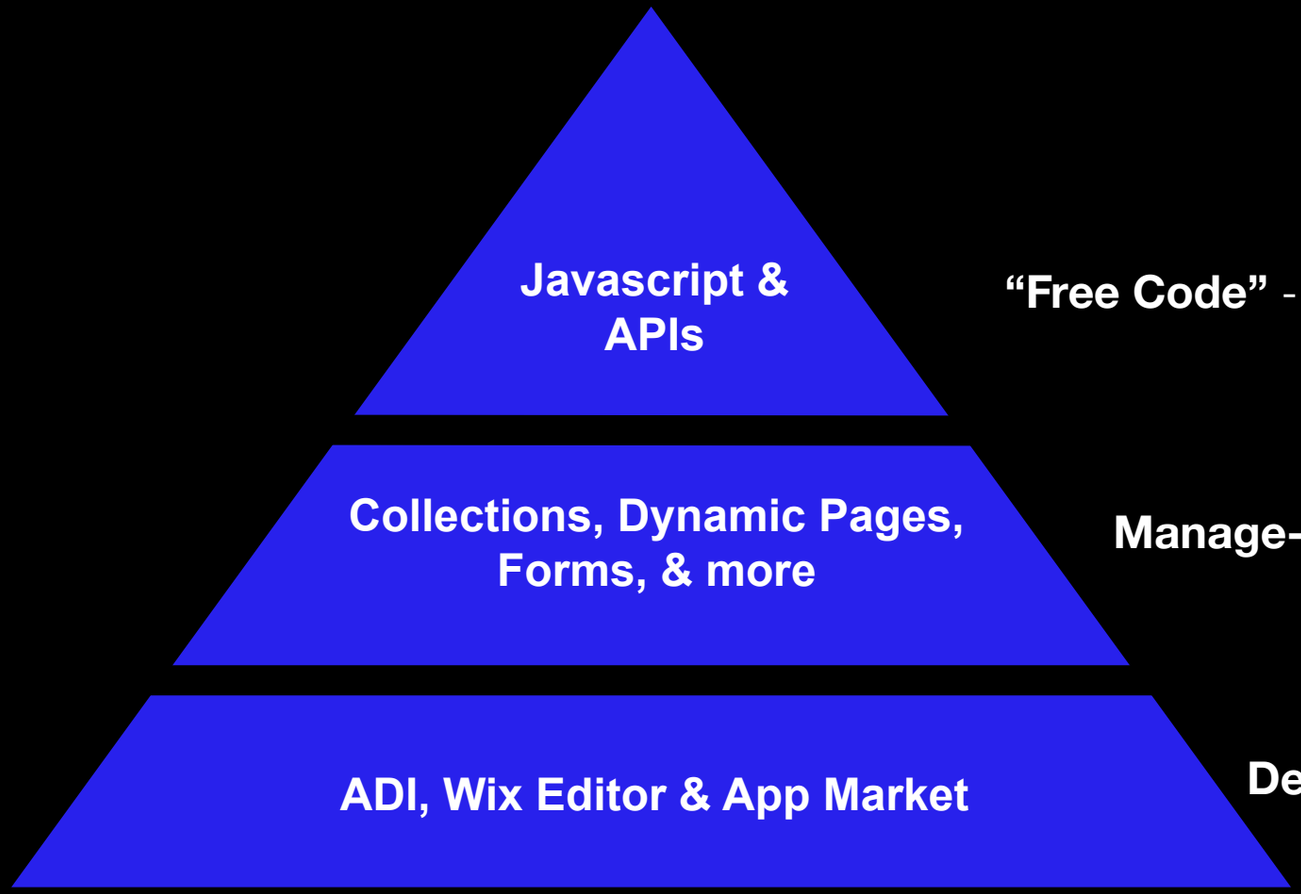
We are the virtual WiXHub

A tour of our classroom (Newrow)

Today We Will....

- Review website content management basics
- Explore the Wix Data user interface
- Create a basic Wix Data website

The Wix Pyramid



“Free Code” - customize just about anything on your site

Manage- control your data and content with no coding

Design & Customize your website using built in features

What can we build with Wix Data?

Rock Band

Rock music has also embodied and served as the vehicle for cultural and social movements, leading to major subcultures including mods and rockers in the UK and the hippie counterculture that spread out from San Francisco in the US in the 1960s. Similarly, 1970s punk culture spawned the goth, punk, and emo subcultures. Inheriting the folk tradition of the protest song, rock music has been associated with political activism as well as changes in social attitudes to race, sex and drug use, and is often seen as an expression of youth revolt against adult consumerism and conformity.

Questions?

Let’s see how it’s done

Our Mission

We will build a functional Wix Data directory site using a preset. We will use:

- Collections
- Dynamic pages
- Directory pages
